Thanks for sending your code/page - it looks great!

You have been added to our database as a Level 2 member and all benefits, except for newsgroup access, are available immediately. (Newsgroup access takes about a week because of the manual entry...sorry!)

If you get another acceptance letter, or even a rejection letter, please ignore it - you are a member of Level 2.

Thank you for your patience and for your interest in the Site Builder Network.

Sincerely,

Jane
